

HS&E Health Safety & Environment

POLICY STATEMENT

Clear Well Subsea shall at all times endeavour to:-

- Prevent accidents and incidents in our work place and aim to reduce the occurrence of accidents and incidents to Zero.
- Uphold HS&E as a core business value and foster a positive HS&E culture throughout our company ensuring that all our personnel work responsibly to meet our HS&E goals.
- Maintain a safe and healthy working environment and provide adequate control of the health & safety risks arising from our work activities.
- Consult with our employees on matters affecting their health & safety and provide the resources and training to ensure that our activities are carried out safely and efficiently.
- Provide and maintain safe plant and equipment for the use of employees.
- Provide guidance and measures to ensure the safe handling and use of hazardous substances.
- Minimise the environmental impacts of our business activities and to ensure compliance with relevant environmental legislation.
- Make employees aware of environmental issues and the environmental effects of their activities.
- Review and revise this policy as necessary at regular intervals.
